CHELSEA LITTLE ATHLETICS CENTRE CENTRE POLICY

PARENT HELP

All parents who sign their children on to attend Little Athletics are required to help at the Centre level; this is a pre condition of your child competing. For those parents who are a little unsure of how to help we will run several basic officials courses at the start of the season. For those of you who wish to take that further there will be several Officials courses run externally throughout the year and please see your Club Committee for details.

CHEST PATCH

The VLAA requires all athletes to wear the provided chest patch at all times during all Centre activities. This is a safety and sponsorship requirement. This allows other parents to know your child's name and age group. In case of accident or emergency the child's name can be accessed quickly. Parents must detail any medical problems on the registration form and it also recommended that they list these on the back of the Chest patch. To ensure long life of the patch, it is recommended that Velcro be purchased so the patch can be removed without damage and the clothing washed. If it is lost or damaged, please see the uniform co-ordinator for a replacement.

PRESIDENT'S MESSAGE

What an exciting year for Athletics this year was and will be. The year of the 29th Olympiad and the 40th year for Chelsea Little Athletics Centre.

As usual controversy followed the hype but that goes hand-in-hand with the Olympics, so does drama, tears and endless inspiration. Beijing didn't disappoint;

- An unforgettable 100m and 200m double by the remarkable Usain Bolt
- An Australian Gold Medal performance in the Pole Vault
- And who will ever forget Sally McLellan's jubilation after her amazing hurdles run and Olympic silver medal.

Similar to the 2008 Victorian Little Athletic State Championships in Bendigo; straight away you notice the comparison with them beginning with the letter "B"; but there was just as much drama and inspired performances with our very own Chelsea Team achieving 2 Gold medals, both in hurdling events. One of them a photo finish that took nearly 3 hours to decide the winner the other a state record breaking run. Perhaps one day a Chelsea athlete will be singing the praises of their little athletics experience after a medal winning performance on the world stage.

It's an inspirational thought isn't it?

So let's get on to the new season ahead and the 40th year of Chelsea Little Athletics. As usual the volunteer parents of the Centre and Club committees have made preparations for possibly the biggest year for the Centre with our fantastic community sponsors, (planned) record number of athletes and some fun and celebrations for the 40 years of little athletics at Chelsea.

Welcome back to our regular athletes and their families and a big welcome to our new members. If you have any questions or want to lend a hand either on event days, the weekly programs or something behind the scenes, myself and the committee members will welcome and encourage you to come and say g'day and ask questions.

In athletics the adage "many hands make light work" is spot on. So get involved and lend a hand, you never know you might just have some fun while doing it.

What's left to say except...

On Your Marks!

Get Set!

And enjoy Little Athletics Season 2008/09 at Chelsea!

Jeremy Moger

ADVERSE WEATHER

The Athletics Arena at Edithvale reserve incorporates a grass track. Drainage facilities are excellent and generally only the most severe conditions result in a cancellation of the day’s competition. If the grass surface or LJ/TJ pits are overly wet, then Hurdles and LJ/TJ events if scheduled may be delayed or cancelled, to reduce the chance of injury.

Should you be concerned if competition may be cancelled, please call the Centre or Club Presidents to confirm. A decision is typically made by approx. 8.15am, after inspection of the arena.

CHelsea LITtle ATHLETICS CENTRE CENTRE POLICY

(Continued from inside front cover)

CODE OF ETHICS

Parents, coaches and officials by example of behaviour, have an enormous influence on our children. All adult participants in Little Athletics should form an accepted pattern of behaviour based on the following ideals.

1. Do not criticise children in front of others, but offer constructive criticism in private.
2. Do not criticise opposing athletes or supporters by word or gesture.
3. Accept decisions made by officials as being fair and called to the best of their ability.
4. Set a good example by your own personal appearance and actions.
5. Make every athletics meeting serve as a training ground for life and as a basis for good mental and physical health.
6. Place the welfare and development of the individual child above the need to win.
7. Do read and put into practice the relevant sections of the "Code of Conduct" leaflet which is available from your Club Team Manager.
8. Support the VicHealth policies outlined in this Handbook.

If Little Athletics is to be enjoyed by all in the spirit of "Family, Fun and Fitness" then the co-operation of all parents, coaches and officials is of primary importance.

SUNSMART POLICY

This SunSmart policy was implemented on September 1st 1996.

The health of our members is of primary concern for the Chelsea Little Athletics Centre.

Australia has the highest rate of skin cancer in the world, with two out of three people experiencing some form of skin cancer during their lifetime. It is acknowledged that skin cancer is a preventable disease and Chelsea Little Athletics Centre has implemented a preventative strategy including the following actions:

1. Wherever possible competition and training will be scheduled outside the hours of 11.00 a.m. to 3.00 p.m. (daylight savings time).
2. The Centre will maximise the use of natural shade provided by buildings and trees.
3. Portable shade will be provided at all field event venues and in the track marshalling areas.
4. Individuals will be encouraged to bring their own shade structures to all outdoor Centre and Region activities.
5. Officials and athletes will promote the wearing of sun protective clothing.
This will include: Shirts with long sleeves and a collar.
Wide brimmed or legionnaires hats.
Sunglasses.
6. Athletes will be encouraged to wear hats and sunglasses while competing. SPF15+ or higher sunscreens will be promoted and provided by the Centre. Athletes and officials will be reminded to apply sunscreen prior to activity during peak UV periods.
7. The Centre canteen will have sunscreen available for sale.
8. The Centre will provide skin cancer educational sessions to increase awareness of this health issue.
9. Event programs, newsletters and public announcements will be used to maintain awareness and promote sun protective behaviour.
10. Centre Executive members, coaches and officials will act as SunSmart role models

The SunSmart policy will be reviewed annually to ensure that it remains current and practical.

CHELSEA LITTLE ATHLETICS CENTRE CENTRE POLICY

NUTRITION POLICY

This nutrition policy was implemented on September 1st 1996.

Healthy eating is a vital part of good health. Lifestyle diseases such as cardiovascular disease, certain cancers, non-insulin dependent diabetes and obesity are all associated with the food we eat. These diseases are major causes of death in Victoria.

Chelsea Little Athletics Centre acknowledges that healthy eating can have an impact on health status and that the provision of healthy foods will contribute to better health for all.

The Chelsea Little Athletics Centre is committed to ensuring that:

1. The Centre canteen will provide a variety of healthy food choices.
2. Healthy food choices will be available at all events.
3. Healthy eating and the role of food in relation to health will be promoted in Centre publications.

This policy will be reviewed annually to ensure that it remains relevant to the needs of the Centre.

SMOKING POLICY

This Smoke-free policy was implemented on September 1st 1996.

1. Cigarettes will not be sold at any venue used by Chelsea Little Athletics Centre.
2. Executive members, coaches and officials will not smoke in public when representing the Centre.
3. All Centre meetings will be smoke-free.
4. Edithvale Recreational Reserve is smoke-free.
5. The Centre will supply and have available Quit smoking literature for members
6. Reference will be made to the smoke-free policy in all Centre publications
7. All visitors will be encouraged to observe this policy.

DOGS

No dogs are allowed on the arena, for any reason, throughout the season.

WHAT DO WE DO ON SATURDAY MORNINGS?

(Terms in CAPITALS are defined in following sections)

1. At 7.30 am a hardy band of Committee members and ROSTERED OFFICIALS begin to set up the equipment. **Please feel free to assist without being asked**
2. ROSTERED OFFICIALS, who need to be available at 8.30 am, are given their tasks and sent to their posts. First event for some is 8.45 am, so please be on time.
3. Athletes wear their Club uniforms with their name tags displayed.
4. At 8.30 am we start our competition program with the all important warm up exercises. Announcements are also made and newsletters, etc. handed out, so be there and be alert.
5. To keep our programs running smoothly and on time we may start some senior age group events at 8.45 am, after a separate warm up. A timely start will assist in a timely finish.
6. U/8 and above age groups participate in up to 5 events per week, according to the Weekly Program.
7. The children are organised into their age groups or with the ON-TRACK CO-ORDINATOR (U/6 & U/7), and sent to their starting events for a 9.00 am start.
8. Athletes or Age-group Co-ordinators should wait for the Ground Announcer to advise when their next event is to be conducted. Announcements will be made over the Public Address to direct age groups to their next event. This ensures that the program will run smoothly with all age groups completing the day's events at approximately the same time, with minimal clashing, and delays between events. Please wait to be called or check with the announcer that the venue is available for your age group before proceeding to the next event.
9. Events are conducted under the COMPETITION RULES listed in a following section.
10. Athletes, Parents, and Officials should show due consideration to events in progress, whether on the Track or Field. Be aware at all times when crossing the track of competing athletes, for their and your own protection. Crossing the path of the Long/Triple Jump runways when an event is in progress is not permitted. Also be aware of the throwing events areas, including Shot Put, as Discus and Javelins in particular may travel at very high speeds that can cause serious injury.
11. After finishing each event athletes receive a ticket showing their performance, and are given a STAR on the ticket if it is a new PERSONAL BEST. These event tickets can and should be put into each athlete's album or "STICKER BOOK". Our recording sheets are updated weekly to show each athlete's current PERSONAL BEST so that instant recognition and encouragement can be given at the event.
12. The recording sheets are input to our computer to:
 - record athletes' PERFORMANCES
 - highlight and update PERSONAL BESTS
 - highlight and update CENTRE RECORDS
 - calculate INDIVIDUAL PERFORMANCE POINTS
 - calculate CLUB PERFORMANCE POINTS
13. We aim to finish each program by 12.30pm, after which many hands help to put away the equipment.
14. **Please note there must be at least one parent/guardian present all morning.**

WHAT DOES MEAN?

OFFICIALS & OFFICIALS' ROSTER

Little Athletics needs officials to run smoothly. Being an Official is not demanding and is an excellent way of helping and encouraging our children. It can also be a very social event for the Officials! Jobs range from measuring discus throws to raking the long jump pits, and include setting up equipment and recording results. There is something for everyone, and all members are protected by insurance in case of an accident. To share the tasks fairly we establish a roster. Please do your best to be available and on time, or find a replacement if you are unavailable.

AGE GROUP CO-ORDINATORS

These are Officials who are in charge of one of the younger age groups (U/6 - U/8), to keep them together and at the correct event. We try to fill these on a season basis so the young ones know who their "mother/father hen" is.

COACHING

As at the time of printing, a training and coaching programme has not been finalised. Please refer to weekly newsletters for updated information regarding the training schedule for this season.

During the season various Introduction to Coaching Course are held and any member who wishes to participate in one of these courses is encouraged to contact a Committee member for details. CLAC covers the cost of this course.

PERSONAL BEST ★STARS★ (PB's)

Each time an athlete improves their own Personal Best performance they are rewarded with a **STAR** on the event ticket. At Chelsea we try to emphasise this aspect by concentrating not on where you may place in an event, but how well you perform against your best and the improvement gained. We have special **5 STAR** Awards for those fortunate enough to achieve 5 Personal Bests (PB's) on one day. If an Athlete gains 3 or more PB's on the one morning, their names are published in one or both of the local newspapers in recognition of their effort.

For end-of-season awards, Personal Best performances are not counted, even though they may occur, until the first three rounds of competition have been completed. This is to be fair on all age groups so that there is no advantage to those who compete in the same event during the three week rotating program, i.e. PB's are counted from Week 4 of competition onwards.

STICKER BOOKS

This is the term applied to the season recording book given to each athlete, which is provided for keeping event tickets ("sticking them in") and details of performances. Over time these become wonderful mementos. **Sticker books are handed in to the Clubs at the end of the season and count towards end-of-season awards.**

CENTRE RECORDS

These are the best recorded performances achieved by Chelsea Little Athletes at Chelsea Centre Competitions only. Performances from Open Day or other venues are not taken into account. Centre Records must be validated by a Centre Committee Executive or authorised member.

PERFORMANCE POINTS - INDIVIDUAL & CLUB

Each athlete's performance is rated against set Victorian standards. These are tallied for end of year awards. The total points for each Club are divided by the number of events and number of athletes and added to the Club average Personal Best Performance to compare the Clubs and decide the Centre Premiership Shield.

SMR, VLAA

SMR is the Southern Metropolitan Region, which is the next organisation level up from our Centre. It comprises 18 Centres from Brighton to Southern Peninsula (at Rosebud) to Pakenham. There are 3 other Metropolitan Regions and 4 Country Regions in the Victorian Little Athletics Association or VLAA. The Chelsea Centre uniform must be worn when competing at Region or State Level events.

REGION & STATE CHAMPIONSHIPS

Competitions are conducted for Relays in the first half of the season and for individual Track and Field in the second half. Registered athletes in the Under 9 to Under 15 age groups are eligible to enter. The Region Championships will be held at Springvale and the State Finals at Olympic Park. Check Newsletter closer to the event date for entry details.

These championships are run by volunteers and each Centre has to provide a certain number of officials to fulfil specific duties. We remind parents that should your child decide to enter these competitions, you will be required to officiate on those days for a short time. This is a mandatory requirement and your child will not be able to compete if a duty cannot be performed.

BRING A FRIEND DAY

On this day athletes are asked to invite their friends to come and try our activities.

SMR SKILLS CAMP

This is a coaching clinic held for U10's to U15's. The children always have great fun at these Camps and make a lot of new friends. Southern Metropolitan Region have organised this season's Camp to be held on the weekend of Friday 21st November to Sunday 23rd November 2008 at Merricks on the Mornington Peninsula. Entry forms will be available from our Centre Secretary. All eligible athletes are strongly encouraged to attend. This cost of the Camp is approx. \$70.

CHELSEA LAC OPEN DAY (entry included in annual fees)

Open Days are run for athletes of age groups U/6 – U/16 and from all Centres. We will hold our 29th Annual Open Day on Sunday, 18th January 2009. Our Open Day has always been noted for its happy and relaxed atmosphere and good organisation. It is open to all registered Little Athletes from Victoria and interstate and we strongly encourage all of our Chelsea Athletes to enter for some healthy competition, and to help make this another successful day.

MEDALLION DAY (entry included in annual fees)

This is our last event for the season, after which we have our AGM and Centre Presentation. The programme is run as a Multi-Event, with each athlete competing in five events. Each child will then be awarded a Bronze, Silver or Gold Medallion according to the total combined levels of performance achieved.

END OF YEAR AWARDS

Centre awards are awarded at the end of the season based on the number of Personal Bests and points accumulated by the athletes during the season. Club awards are awarded at the end of the season at the discretion of the Club Committees and may be based on an entirely different system. Senior Age categories include U/13 – U/16, and the Junior Age category covers U/8 – U/12. To be eligible for an end of year award an athlete must have competed in a minimum of 50% of the available Competition Days after the day of registration. Additionally no less than 2 weeks of Competition before Season end.

ON TRACK

What is On Track? On Track - An Athletics Skills Program, is a progressive skills-based program that aims to provide children with more:

- activity
- instruction
- skill development
- enjoyment

The program is being implemented throughout the State, with about 75% of all Centres now participating. Parents and coaches have attended training courses and have been provided with training material to run On Track at their Centres.

The On Track Levels:

On Track is an athletics skills and modified event program. Children start at:

- Level 1 - Fundamental Motor Skills
- Level 2 - Fundamental Athletic Skills
- Level 3 - Transitional Athletic Skills

Currently this modified event program, designed by VLAA, is aimed at the U6's to U8's. At Chelsea Little Athletics Centre, we run On Track for the Under 6 and Under 7 age groups, with the athletes then progressing to a full 5-event program at Under 8.

As well as trained On Track Co-ordinators, we need parent assistance to run the program of activities each week. You'll find that by joining in and assisting the co-ordinators, you'll have as much fun as the athletes.

Full details are available on the VLAA web site at: <http://www.vlaa.com.au>

2008/2009 JUNIOR DEVELOPMENT SQUAD

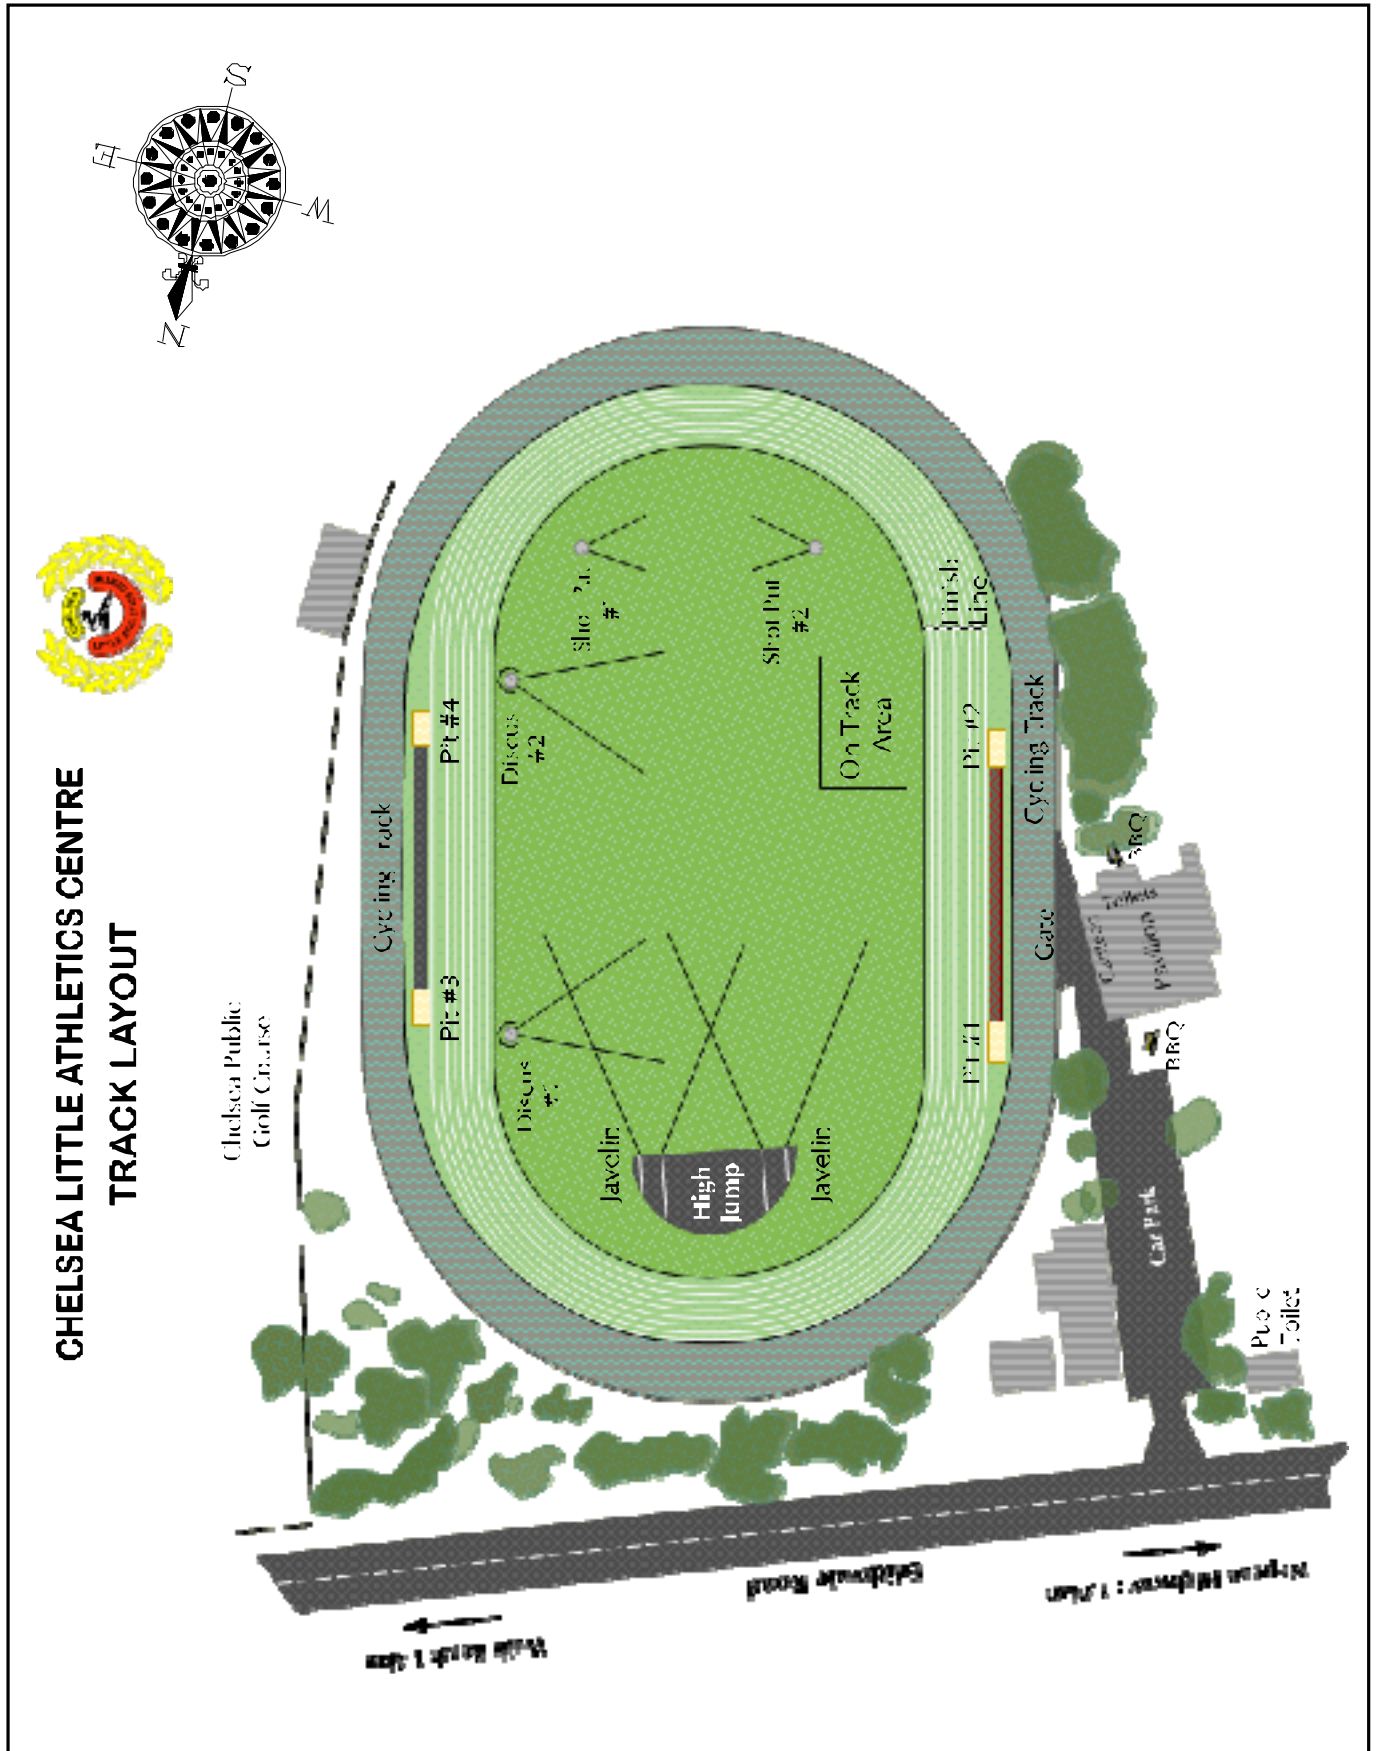

The Junior Development Squad (JDS) is a program aimed at giving our talented athletes a little more in terms of coaching, education, competition and a sense of accomplishment. Athletes must qualify for the squad by achieving athletic results that better a set performance criteria.

The squad is open to all registered athletes from U/12 to U/15 who achieve the performance criteria. Ranging from mid-October to March, the program consists of numerous activities including coaching days, alternate coaching sessions, coaching camp, education sessions, role model sessions with elite athletes and a presentation ceremony.

Full details are available on the VLAA web site at: <http://www.vlaa.com.au>

COMPETITION/CENTRE RULES

GENERAL

1. **Officials** may send children off the arena for any undisciplined behaviour or bad language (NOT THAT WE EXPECT THIS TO EVER OCCUR).
2. **Spectators** and parents not acting in an official capacity should remain outside the grassed arena.
3. **A Parent or Guardian should be in attendance at all times.** Children should not be dropped off and left unsupervised. This is especially important if a competition day is cancelled or abandoned due to bad weather.
4. **Footwear:** Running shoes must be worn for all events, including training sessions. **Spikes** may be worn by the U12 age group and upwards for laned track events. For safety reasons spikes can only be put on at the starting line and must be taken off immediately after the race at the finish line. Athletes who do not follow these conditions will not be allowed to wear spikes for the remainder of the season.
5. **Clothing:** Club uniforms are to be worn on normal competition days. Shorts are to be to VLAA requirements (10cm above the knee). The **Centre uniform** is to be **worn only** at **State** and **Regional** Championship events or the **Open Day** competition. Athletes wearing the Centre uniform on normal competition days may lose points accumulated on the day for their Club. Full length leggings, tracksuits (pants or tops), and windcheaters are not permitted. Athletes should remove these prior to an event, in the case of a field event they may re-apply them after each trial. All Centres have a responsibility to the VLAA's major sponsor to display their Brand.
6. Children **must** have their name and age group **clearly** displayed on their uniform using the VLAA name tag supplied when registering. We would also recommend noting any allergies that your child has on the back of the tag.
7. **Hurdles** commence at Under 8, the **High Jump, Triple Jump**, and **800m** events at Under 9, and the **1500m** event at Under 11.
8. **Javelin** commences at Under 8, with Athletes using a lightweight plastic TurboJav until Under 10. The Under 11 age group and upwards use a real javelin. The javelin event is considered to be dangerous, and only one javelin per group should be in use at any time to reduce the chance of an injury.
9. **Equipment:** The unsupervised use of any equipment on competition days is not permitted.
10. **The Finish Line.** Competitors must cross the white line. Time is taken from the smoke of the gun or electronic flash until the athlete's **body** crosses the finish line. All events up to 400m are electronically timed. Hand timing applies for all other running events.
11. **Lanes.** In all laned events (60m, 81m, 90/100m and 300m Hurdles, 50m, 70m, 100m, 150m, 200m and 400m) competitors must stay in their marked lanes, i.e. between the marked lines.
12. **Starting:** Athletes in U/12 and above age groups must use a crouch start, younger age groups may do so however it is not a requirement.
13. **Coaches** for relay teams will be selected by the Centre Committee, based on nominations received.
14. **Selection of relay teams** will be based on a Coach's assessment of relay requirements such as baton changing, participation and attendance at training as well as ability. **The Coach's decision will be final.**
15. **Banners or batons** won by relay teams remain the property of the Centre, but may be held by the respective coaches whilst they remain actively involved with the Centre.
16. **Centre Records must** be validated by a member of the **Centre Committee Executive**, or the following **authorised Centre Members**; Tine Meade, Andrew Holten, and Anthony Cafarella. Full electronic timing applies for track events up to 400m. Hand times apply for 800m and 1500m events. If a field event record is believed to have been broken then the spike marking the distance obtained **must** remain in place or the bar must not be adjusted in the case of the High Jump, **until the measurement can be verified.** In the case of a throwing event, the discus, shot put, or javelin used should be identified.

The above is not intended as an exhaustive list of Centre Rules.
