LITTLE ATHLETICS CHELSEA CENTRE POLICY

PARENT HELP

All parents who sign their children on to attend Little Athletics are required to help at the Centre level; this is a **pre-condition** of your child competing. For those parents who are a little unsure of how to help we will run several basic Officials courses at the start of the season. For those of you who wish to take this further there will be several Officials courses run externally throughout the year. Please see your Club or Centre Committee for details.

Enter Your Nominated Duty Dates in the table below (min 3 required):

Rostered Duty Date

CHEST PATCH

LAV requires all athletes to wear the provided chest patch at all times during all Centre activities. This is a safety and sponsorship requirement. This allows other parents to know your child's name and age group. In case of accident or emergency the child's name can be accessed quickly. Parents must detail any medical problems on the registration form and it also recommended that they list these on the back of the Chest patch. To ensure long life of the patch, it is recommended that Velcro be purchased so the patch can be removed without damage and the clothing washed. If it is lost or damaged, please see the uniform co-ordinator for a replacement. Athletes without a chest patch may be prevented from competing as they are in breach of the LAV Competitive Members' membership requirements (section 1.8).

This handbook is also available online at : www.chelsea.coolrunning.com.au/documents/handbooks/

PRESIDENT'S MESSAGE

On behalf of the Committee it brings me great pleasure to welcome all members, old and new, to the 2012-13 season. I am writing this at the conclusion of the Olympics and have enjoyed the spectacle provided by so many athletes who have trained for many years to achieve their Olympic dream. Of course each athlete can only perform on the biggest sporting stage with the help of an army of volunteers. It is the same for all the kids in Little Athletics. Without the volunteers to start races, record times and distances, work the canteen etc., we would not be able to give them the opportunity to hit the track (and field) and give it a go to 'be their best'. So for another season I invite all parents and caregivers to get to the event sites and the canteen and lend a hand in some way.

I am fortunate enough to have worked with one of our quad sculls team bronze medallists, and know that while natural ability plays a part in getting to the Games, goal setting, sheer hard work, persistence and sacrifice are also significant factors. Similarly for our kids, persistence can be demonstrated in many ways including:

- ▶ Completing the whole season by encouraging the kids to finish what they start (an important life lesson)
- ▶ For the older athletes, completing all five events each week. Some events are harder than others, but to give it a go and complete an event that they thought they couldn't do, or do well, helps build confidence. Our coaches are on hand to help at anytime both at training and on Saturdays.
- ▶ Set goals for each week of competition and push yourself to achieve those goals (i.e. be mentally ready on a Saturday)

If all goes well we will see Council start construction of the new pavilion early in our season. There are also major drainage improvements in the pipeline for the entire Edithvale Reserve. Both activities will cause some disruption, and the Committee is liaising with Council to ensure we still deliver our athletics program each week as programmed. The pavilion works means that we won't hold an Open Day at Chelsea this season, but I look forward to when the Open Day returns and we can host it in our magnificent new pavilion without pigeons.

I wish everyone a happy, healthy and successful season ahead, and I hope you achieve your goals.

Murray Smith

ADVERSE WEATHER

The Athletics Arena at Edithvale reserve incorporates a grass track. Drainage facilities are excellent and generally only the most severe conditions (e.g. continuous rain) result in a cancellation of the day’s competition. If the grass surface or LJ/TJ pits are overly wet, then Hurdles and LJ/TJ events if scheduled may be delayed or cancelled, to reduce the chance of injury.

Should you be concerned if competition may be cancelled, please call the Centre or Club Presidents to confirm. A decision is typically made by approx. 8.15am, after inspection of the arena. The Centre will endeavour to post any cancellation notice on the website and our twitter and facebook pages.

INSURANCE

Insurance cover, provided by Willis (Brokers) Insurance Limited is available to all registered athletes and volunteer helpers (all of whom must sign the Register of Ordinary Members). Cover is provided for injuries solely caused by active participation in officially organised events, practice and training sessions and official functions, including when travelling to and from such events.

Claim forms may be obtained from the Centre Secretary, and must be submitted within 30 days of the injury occurring. Injuries should be reported to a Centre Official and documented in an accident/injury report form available from the Centre.

LITTLE ATHLETICS CHELSEA CENTRE POLICY

(Continued from inside front cover)

CODE OF ETHICS

Parents, coaches and officials by example of behaviour, have an enormous influence on our children. All adult participants in Little Athletics should form an accepted pattern of behaviour based on the following ideals.

1. Do not criticise children in front of others, but offer constructive criticism in private.
2. Do not criticise opposing athletes or supporters by word or gesture.
3. Accept decisions made by officials as being fair and called to the best of their ability.
4. Set a good example by your own personal appearance and actions.
5. Make every athletics meeting serve as a training ground for life and as a basis for good mental and physical health.
6. Place the welfare and development of the individual child above the need to win.
7. Do read and put into practice the relevant sections of the "Code of Conduct" document which is available on the Centre website.
8. Support the VicHealth policies outlined in this Handbook.

If Little Athletics is to be enjoyed by all in the spirit of "Family, Fun and Fitness" then the co-operation of all parents, coaches and officials is of primary importance.

The Codes Of Conduct for Athletes, Spectators, Parents, Coaches, Officials, and Administrators is available for viewing on the Centre website at: www.chelsea.coolrunning.com.au/count/click.php?id=9

SUN PROTECTION POLICY

The Centre is aware that children are especially susceptible to the sun's rays and that skin cancer can be prevented.

The health of our members is of primary concern for Little Athletics Chelsea.

Australia has the highest rate of skin cancer in the world, with two out of three people experiencing some form of skin cancer during their lifetime. It is acknowledged that skin cancer is a preventable disease and Little Athletics Chelsea has implemented a preventative strategy including the following actions:

1. Wherever possible competition and training will be scheduled outside the hours of 11.00 a.m. to 3.00 p.m. (daylight savings time).
2. The Centre will maximise the use of natural shade provided by buildings and trees.
3. Where possible, portable shade will be provided at all field event venues and in the track marshalling areas.
4. Individuals will be encouraged to bring their own shade structures to all outdoor Centre and Region activities.
5. Officials and athletes will promote the wearing of sun protective clothing, including: shirts with long sleeves and a collar, wide brimmed or legionnaires hats, and sunglasses.
6. Athletes will be advised to take umbrellas, drink bottles and sunscreen to events. Hats and sunglasses may be worn during competition.
7. SPF 30+ or higher sunscreen will be promoted and made available by the Centre.
8. Event programs, newsletters and public announcements will be used to maintain awareness of and promote sun protection.
9. Centre Executive members, coaches and officials will act as sun protection role models

The sun protection policy will be reviewed annually to ensure that it remains relevant to the needs of the Centre.

LITTLE ATHLETICS CHELSEA CENTRE POLICY

WORKING WITH CHILDREN CHECK

The Working with Children (WWC) Check is designed to help keep children safe. The Check was introduced in Victoria in 2006 and aims to prevent people who may pose a risk to the safety of children from working with them.

Under the “Working with Children Act 2005”, all people working or volunteering in all areas of administration, officiating, coaching and overnight supervision at camps and clinics relating to Little Athletics are required to hold a WWC card.

LAC are taking this very seriously and all key personnel including all committee members, officials and administration staff have applied for or hold a current WWC card.

Under the Act, a parent who volunteers in relation to an activity in which their child ordinarily participates is exempt from a WWC Check in respect of that work. For further information please visit www.justice.vic.gov.au/workingwithchildren

HEALTHY FOOD CHOICE POLICY

The Centre is aware that healthy eating is a vital part of good health. We recognise that lifestyle diseases such as heart disease, stroke, certain cancers, non-insulin dependent diabetes and obesity are all associated with the food we eat.

We acknowledge that healthy eating can have an impact on the lives of our members, and that the provision of healthy foods will contribute to better health for all. Enjoying a variety of foods from the different food groups is the key to healthy eating.

The Centre will ensure that a variety of healthy food choices are available at all its activities. This applies to all meetings, competitions, functions and events and to all members, officials, players, volunteers, spectators, visitors and any others taking part in activities.

The following strategies have been adopted to ensure that a variety of healthy food choices are available at all Centre activities:

1. The Centre canteen (where applicable) will provide a variety of healthy food choices.
2. Healthy food choices will be available at all Centre events and functions.
3. The enjoyment of healthy eating and the role of food in relation to health will be promoted at Centre activities and in Centre publications.
4. Healthy food choices will be displayed more prominently than other foods.
5. Healthy food choices will be priced competitively.
6. The variety of confectionery, potato chips, soft drinks and ice creams will be limited.
7. The Centre will attempt to introduce at least two new healthy food choices to the Centre, each season.

This policy will be endorsed annually to ensure that it remains relevant to the needs of the Centre.

DOGS

No dogs are allowed on the arena, for any reason, throughout the season.

LITTLE ATHLETICS CHELSEA CENTRE POLICY

RESPONSIBLE ALCOHOL MANAGEMENT POLICY

The centre is aware that alcohol, when misused can cause harm to the drinker and others. A responsible drinking policy has been adopted so as to reduce risks and avoid problems.

The following strategies have been adopted:

1. There will be no sale or consumption of alcohol during the conduct of any Little Athletics events.
2. Where alcohol is consumed at a Centre function the following measures will be taken:
 - i. Alcohol will not be served to minors, or in front of minors
 - ii. Alcohol will not be served to any person who is intoxicated
 - iii. Low alcohol and non-alcoholic drinks will be available and promoted
 - iv. Water will be available at no cost at functions where alcohol is served
 - v. Healthy food options will be available when alcohol is served
 - vi. Members who have been drinking will be encouraged to pursue safe transport options
3. There will be no alcohol advertising at any venue used by the Centre.
4. The Centre will not accept any alcohol related sponsorship or use alcohol as a prize for fundraising activities.
5. The Centre will comply with Liquor Licensing Victoria (LLV) regulations.

This policy will be endorsed annually to ensure that it remains relevant to the needs of the Centre.

SMOKE-FREE POLICY

The Centre is aware that smoking endangers health and believes that all Little Athletics venues and functions should be Smoke-Free. In an open park the venue is defined as “the area inside an imaginary boundary 50 metres from the outside perimeter of the circular track”.

The following strategies have been adopted to promote a Smoke-Free environment:

1. Cigarettes shall not be sold at any venue used by Little Athletics Chelsea.
2. Executive members, coaches and officials will not smoke in view of the public or athletes during the lead up to and conduct of Little Athletics events.
3. All Centre meetings and functions will be smoke-free.
4. All areas within the Centre will be Smoke-Free, including: the clubrooms, canteen, changing room, toilet blocks, spectator areas and competing areas.
5. The Centre will place no smoking signs in prominent positions and remove ashtrays from all no smoking areas.
6. The Centre will ensure that smokers have a place outside the venue or out of public view, where they can smoke, and provide them with ashtrays/bins.
7. Reference will be made to the smoke-free policy in Centre publications
8. Regular announcements will be made to ensure that members and visitors are aware of the Centre’s Smoke-Free policy. Signs provided by the Association will be placed in the venue.
9. All visitors will be required to observe this policy.

Non-compliance with the policy will be handled by an explanation of the Centre’s Smoke-Free policy to the person, including identification areas in which smoking is allowed. In the case of continued non-compliance with the policy, Centre officials will use their discretion as to the steps to be taken, which may include asking the person to leave the premises or function.

This policy will be endorsed annually to ensure that it remains relevant to the needs of the Centre.

- ▶ At 7.30 am a hardy band of Rostered Centre & Club Committee members, Centre officials and Parents begin to set up the equipment, canteen, & clubrooms. **Please feel free to assist without being asked.**
- ▶ ROSTERED OFFICIALS, who need to be available at 8.30 am, are given their tasks and sent to their posts. First event for some is 8.45 am, so please be on time.
- ▶ Athletes wear their Club uniforms with their name tags displayed.
- ▶ At 8.30 am we start our competition program with the all important warm up exercises. Announcements are also made and any important notices, etc. handed out, so be there and be alert.
- ▶ To keep our programs running smoothly and on time we may start some senior age group events at 8.45 am, after a separate warm up. A timely start will assist in a timely finish.
- ▶ U/8 and above age groups participate in up to 5 events per week, according to the Weekly Program. U/6 and U/7 age groups participate in 3 events per week.
- ▶ The children are organised into their age groups or with the ON-TRACK CO-ORDINATOR (U/6 & U/7), and sent to their starting events for a 9.00 am start.
- ▶ Athletes or Age-group Co-ordinators should wait for the Ground Announcer to advise when their next event is to be conducted. Announcements will be made over the Public Address to direct age groups to their next event. This ensures that the program will run smoothly with all age groups completing the day's events at approximately the same time, with minimal clashing, and delays between events. **Important:** Please wait to be called or check with the ground announcer that the venue is available for your age group before proceeding to the next event.
- ▶ Events are conducted under the COMPETITION/CENTRE RULES listed in a following section (but not limited to those listed).
- ▶ Athletes, Parents, and Officials should show due consideration to events in progress, whether on the Track or Field. Be aware at all times, when crossing the track, of competing athletes, for their and your own protection. Crossing the path of the Long/Triple Jump runways when an event is in progress is not permitted. Also be aware of the throwing events areas, including Shot Put, as Discus and Javelins in particular may travel at very high speeds that can cause serious injury.
- ▶ After finishing each event athletes receive a ticket showing their performance, and a STAR is printed/stamped on the ticket if a new PERSONAL BEST has been achieved. These event tickets can and should be put into each athlete's album or "STICKER BOOK". Our recording sheets are updated weekly to show each athlete's current PERSONAL BEST so that instant recognition and encouragement can be given at the event.
- ▶ The recording sheets are input to our database to:
 - record athletes' PERFORMANCES
 - highlight and update PERSONAL BESTS
 - highlight and update CENTRE RECORDS
 - calculate INDIVIDUAL PERFORMANCE POINTS
 - calculate CLUB PERFORMANCE POINTS
- ▶ We aim to finish each program by 12.00 noon, after which many hands help to put away the equipment.
- ▶ **Please note there must be at least one parent/guardian present at all times.**

WHAT DOES MEAN?

OFFICIALS & OFFICIALS' ROSTER

Little Athletics needs officials to run smoothly. Being an Official is not demanding and is an excellent way of helping and encouraging our children. It can also be a very social event for the Officials! Jobs range from measuring discus throws to raking the long jump pits, and include setting up equipment and recording results. There is something for everyone, and all members are protected by insurance in case of an accident. To share the tasks fairly we establish a roster. Please do your best to be available and on time, or find a replacement if you are unavailable.

AGE GROUP CO-ORDINATORS

Age group co-ordinators and assistants will be appointed for each age group and gender up to under 14. The age group co-ordinators will be the central contact point for all athletes and parents in that age group as well as the contact person between that group and the announcer and key officials. They are responsible for preliminary marshalling for all events for that group. They will also encourage parents of athletes to help out with the events to ensure they run smoothly.

COACHING

As at the time of printing, a training and coaching programme has not been finalised. Please refer to weekly newsletters and the centre website for updated information regarding the training schedule for this season. Coaching is for U8 age group and above.

Please refer to our newsletters, the notice board and the website for further details of what disciplines will be covered each week.

More details may be found here: www.chelsea.coolrunning.com.au/coaching/

PERSONAL BEST ★STARS★ (PB's)

Each time an athlete improves their own Personal Best performance they are rewarded with a **STAR** on the event ticket. At Chelsea we try to emphasise this aspect by concentrating not on where you may place in an event, but how well you perform against your best and the improvement gained.

For U/8 and above we have special **5 STAR** Awards for those fortunate enough to achieve 5 Personal Bests (PB's) on one day. For U/6 and U/7 we have **3 STAR** awards. If an Athlete gains 3 or more PB's on the one morning, their names are published in the local newspaper and the centre website in recognition of their effort.

Personal Best performances are not tallied for end-of-season awards, even though they may occur, until the first three rounds of competition have been completed. This is to be fair on all age groups so that there is no advantage to those who compete in the same event during the initial three week rotating program, **i.e. PB's are counted from Week 4 of competition onwards.**

STICKER BOOKS

This is the term applied to the season recording book given to each athlete, which is provided for keeping event tickets ("sticking them in") and details of performances. Over time these become wonderful mementos. **Sticker books are handed in to the Clubs at the end of the season and count towards end-of-season awards.** Books are returned at Club presentation nights.

RAY WHITE CHELSEA GIFT

The Chelsea Gift, first run in 2008, is now an annual handicap event race held over 100m. The aim of the event is to give any athlete at the Centre the chance of winning the race. Both Senior and Junior categories for the event are available. The race is held on the last competition day before Christmas each year, and is one of the most keenly contested events at the Centre. The Gift is proudly sponsored by Ray White Chelsea.

CENTRE RECORDS

These are the best recorded performances achieved by Chelsea Little Athletes at normal weekly Chelsea Centre Competitions only. Performances from the Open Day or other venues are not taken into account. Records published in this handbook are correct at time of printing, however the Centre reserves the right to amend any record. The Centre maintains a database of all current records which are published on the website.

Centre Records must be validated by two Centre Committee Executive or authorised members, in accordance with the Centre's Record Verification Procedure: www.chelsea.coolrunning.com.au/count/click.php?id=6

PERFORMANCE POINTS - INDIVIDUAL & CLUB

Each athlete's performance is rated against set Victorian standards. These are tallied for end of year awards. The total points for each Club are divided by the number of events and number of athletes and added to the Club average Personal Best Performance to compare the Clubs and decide the Centre Premiership Shield.

SMR, LAV

SMR is the Southern Metropolitan Region, which is the next organisation level up from our Centre. SMR is the largest of the regions, and is comprised of 16 Little Athletics Centres, and approx. 3700 registered members. There are three other Metropolitan Regions and four Country Regions that are a part of Little Athletics Victoria or LAV. The Chelsea Centre uniform must be worn when competing at Region or State Level events.

REGION & STATE CHAMPIONSHIPS

Competitions are conducted for Relays, Multi-Event, and individual Track and Field events. Registered athletes in the Under 9 to Under 15 age groups are eligible to enter. The State Multi-event Championships will be held at Albert Park (15/16 December 2012), the Region Relay Championships will be held at Springvale (17 November 2012), the Region Track & Field Championships at Cranbourne (23/24 February 2013), and State Track & Field Finals will be held at Bendigo (23/24 March 2013).

These championships are run by volunteers and each Centre provides a certain number of officials to fulfil specific duties. We remind parents that should your child decide to enter these competitions, you will be required to officiate on those days for a short time. This is a mandatory requirement and your child will not be able to compete if a duty cannot be performed. To be eligible to compete in any of the Championship events, an athlete must have competed in at least 50% of the available weekly Centre competition days since registering, and have registered at least two weeks prior to the SMR Championship event close of entries date.

BRING A FRIEND DAY

On this day athletes are asked to invite their friends to come and try our activities at no cost, and then decide if they wish to join the Centre.

LA CHELSEA OPEN DAY

After 32 consecutive years the Centre Committee regrets that due to the significant site-works that will be conducted this season, we will be unable to host our Annual Open Day in 2012.

We hope that our new facility will be completed in time to allow us to conduct our Open Day in the first-half of Season 2013/14. Open Days are for athletes from age groups U/6 – U/16 and invitation is open to athletes from all Centres. We strongly encourage our athletes to enter neighbouring Centre Open Days as this is a valuable and fun experience for athletes of all ages.

MEDALLION DAY (entry included in annual fees)

This is our last event for the season, after which we have our AGM and Centre Awards Presentation. The programme is run as a Multi-Event, with each athlete competing in five events. Each child will then be awarded a Bronze, Silver or Gold Medallion according to the total combined levels of performance achieved.

END OF YEAR AWARDS

Centre awards are presented at the end of the season based on the number of Personal Bests, number of events completed, and performance points accumulated by the athletes during the season. Club awards are also presented at the end of the season at the discretion of the Club Committees and may be based on an entirely different system. Senior Age categories include U/12 - U/16, and the Junior Age category covers U/8 - U/11. Awards for On-Track are also presented for U6 - U7 athletes in track and field event categories. To be eligible for an end of year award an athlete must have competed in a minimum of 50% of the available Competition Days after the day of registration. Additionally no less than 2 weeks of Competition before Season end.

ON TRACK

On Track is an Athletics Skills Program. It is a progressive athletics skills-based program that aims to provide children with more:

- activity
- instruction
- skill development
- enjoyment

The program is being implemented throughout the State, with about 75% of all Centres now participating. Our parents and coaches have attended training courses and have been provided with training material to run the On Track modified event program.

The On Track Levels:

- Level 1 - Fundamental Motor Skills
- Level 2 - Fundamental Athletic Skills
- Level 3 - Transitional Athletic Skills

Currently this modified event program, designed by LAV, is aimed at the U6's to U8's. At Little Athletics Chelsea, we run On Track for the Under 6 and Under 7 age groups, with the athletes then progressing to a full 5-event program at Under 8.

As well as trained On Track Co-ordinators, we need parent assistance to run the program of activities each week. You'll find that by joining in and assisting the co-ordinators, you'll have as much fun as the athletes.

2012/2013 JUNIOR DEVELOPMENT SQUAD

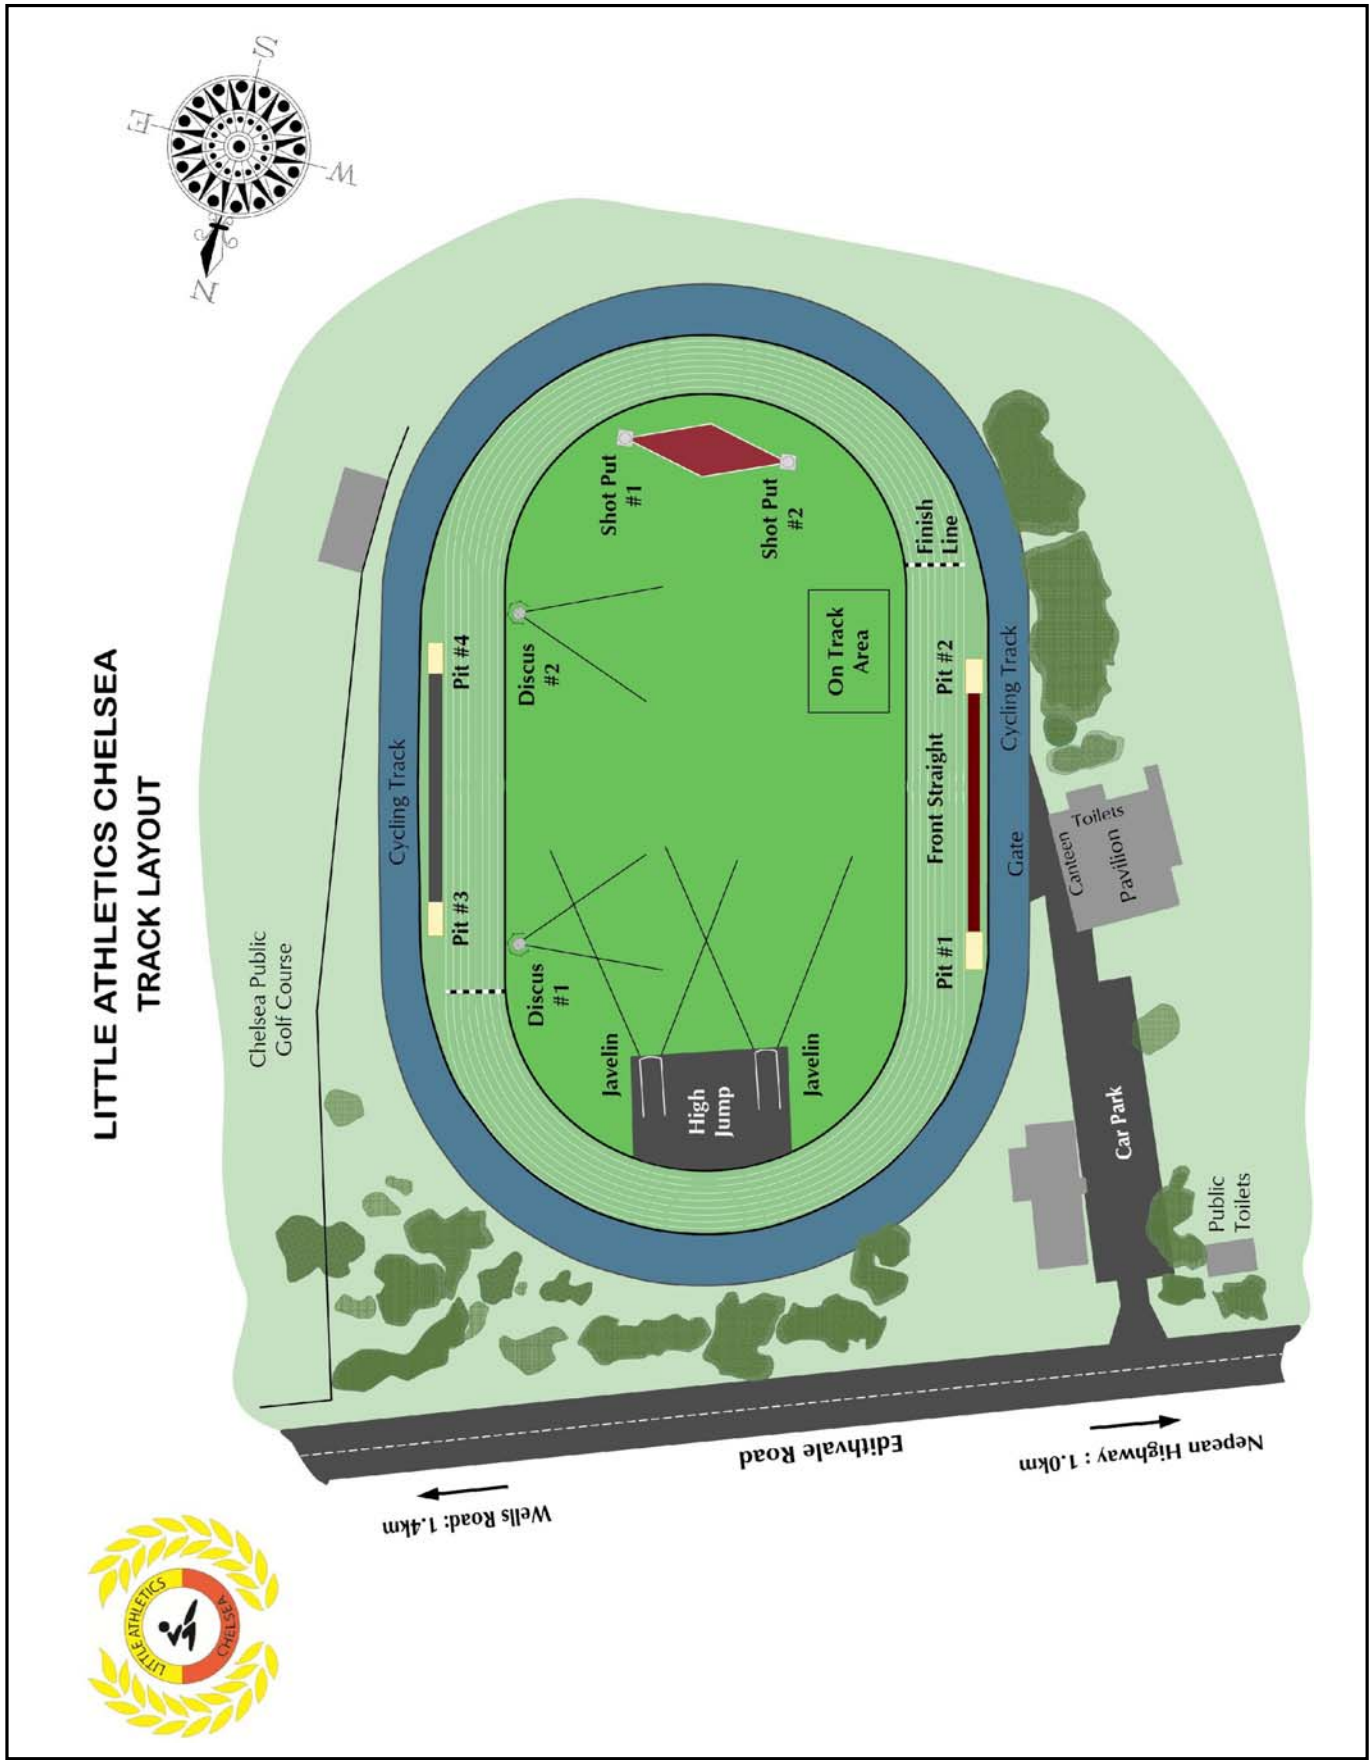

The Junior Development Squad (JDS) is a program aimed at giving our talented athletes a little more in terms of coaching, education, competition and a sense of accomplishment. Athletes must qualify for the squad by achieving athletic results that better a set performance criteria.

The squad is open to all registered athletes from U/12 to U/16 who achieve the performance criteria. Ranging from mid-October to March, the program consists of numerous activities including coaching days, alternate coaching sessions, coaching camp, education sessions, role model sessions with elite athletes, and a presentation ceremony.

COMPETITION/CENTRE RULES

1. **Officials** may send children off the arena for any undisciplined behaviour or bad language (NOT THAT WE EXPECT THIS TO EVER OCCUR).
2. **Spectators** and parents not acting in an official capacity should remain outside the grassed arena.
3. **A Parent or Guardian must be in attendance at all times.** Children should not be dropped off and left unsupervised. This is especially important if a competition day is cancelled or abandoned due to bad weather.
4. **Footwear:** Running shoes must be worn for all events, including training sessions, in accordance with LAV Regulation #8. **Spikes** may be worn by the U12-U16 age groups for the following events only : a laned track event of 400m or less, Long Jump & Triple Jump. The maximum spike length is 7mm. For safety reasons spikes shall only be worn within the arena or at the field event venue while the athlete is competing, i.e. in the competition area(s). Athletes who do not follow these conditions will not be allowed to wear spikes for the remainder of the season.
5. **Clothing:** Club uniforms are to be worn on normal competition days. Shorts are to be to LAV requirements (10cm above the knee). The **Centre uniform** is to be **worn only** at **State** and **Regional** Championship events, **Open Day** or **Medallion Day** competition. Athletes wearing the Centre uniform on normal competition days may lose points accumulated on the day for their Club. Full length leggings, tracksuits (pants or tops), and windcheaters are not permitted. Athletes should remove these prior to an event, in the case of a field event they may re-apply them after each trial. All Centres have a responsibility to LAV's major sponsor to display their Brand.
6. Children **must** have their name and age group **clearly** displayed on their uniform using the LAV name tag supplied when registering. We would also recommend noting any allergies that your child has on the back of the tag.
7. **Hurdles** commence at Under 8, the **High Jump, Triple Jump,** and **800m** events at Under 9, and the **1500m** event at Under 11. The walk event is no longer contested at Chelsea.
8. **Javelin** commences at Under 8, with Athletes using a lightweight plastic "Turbo-Jav" until Under 10. The Under 11 age group and upwards use a real javelin. The javelin event is considered to be dangerous, and only one javelin per group should be in use at any time to reduce the chance of an injury.
9. **Equipment:** The unsupervised use of any equipment on competition days is not permitted. If any breakage of equipment occurs or it is noted that equipment is missing, a Committee member should be notified so that this can be corrected prior to the next competition day.
10. **The Finish Line.** Competitors must cross the white line. Time is taken from the smoke of the gun or electronic flash until the athlete's **body** crosses the finish line. All events up to 400m are electronically timed. Hand timing applies for all other running events.
11. **Lanes.** In all laned events (60m, 81m, 90/100m and 300m Hurdles, 50m, 70m, 100m, 150m, 200m, 400m and the first stage of the 800m,) competitors must stay in their marked lanes, i.e. between the marked lines.
12. **Starting:** Athletes in U/12 and above age groups must use a crouch start. Younger age groups may also use a crouch start however it is not a requirement. When spikes are worn in a track event the athlete must use **starting blocks**. Athletes shall be responsible for ensuring that starting blocks are prepared.
13. **Coaches** for relay teams will be selected by the Centre Committee, based on nominations received.
14. **Selection of relay teams** will be based on a Coach's assessment of relay requirements such as baton changing, participation and attendance at training as well as ability. **The Coach's decision will be final.**
15. **Banners or batons** won by relay teams remain the property of the Centre, but may be held by the respective coaches whilst they remain actively involved with the Centre.
16. The **rules of a competition event** unless otherwise specified are those implemented by LAV. LAV competition rules can be found at: www.chelsea.coolrunning.com.au/count/click.php?id=9
Event specific rules for the Chelsea Centre may be found on the website here: www.chelsea.coolrunning.com.au/documents/event_rules/
17. **Centre Records must be validated** by two **Centre Committee Executive members, or** the following **authorised Members;** Stephen Blyth, Greg Russo, Richard Cullen, and Anthony Cafarella, in accordance with the Centre's Record Verification Procedure: www.chelsea.coolrunning.com.au/count/click.php?id=6. Full electronic timing applies for track events up to 400m. Hand times apply for 800m and 1500m events. If a field event record is believed to have been broken then the spike marking the distance obtained **must** remain in place or the cross-bar must not be adjusted in the case of the High Jump, **until the measurement can be verified.** In the case of a throwing event, the discus, shot put, or javelin used by the athlete should also be identified.

(The above is intended as a general set of Centre Rules only, and is not an exhaustive list.)
